

Bruno Plumbing & Heating is Different!

Protecting the health and safety of your family since 1927!

What Makes Us Different?

- 1. We do what is in the best interest of the client!**
- 2. Bruno Plumbing & Heating, Inc. service technicians are professional, dedicated and long term employees.**
- 3. Our technicians are fully certified and highly trained to handle all emergencies with safe and dependable results.**
- 4. Our technicians care about you and your home. They always wear shoe covers. They always clean up after themselves.**
- 5. We stock satisfaction. We have fully stocked trucks to save you time and money.**
- 6. We don't use low special price gimmicks to get into your home. We will give you upfront pricing before any work is done. You will know the exact cost.**
- 7. We conduct background checks and drug testing on every technician.**
- 8. We have earned the Technician Seal of Safety and the Preferred Plumber certification. We are a current member of the Better Business Bureau.**
- 9. We register your new heating and/or cooling equipment so you receive the best warranty available on your equipment.**
