“Repaired Right Today Or You Don’t Pay!”*®

Why should I maintain
my plumbing system
annually?

VIP Club

Vital In home Protection—Plumbing

Provide a **FREE** comprehensive inspection of your home’s plumbing system. You will reduce plumbing related breakdowns by **at least 85%** while protecting the health and safety of your family.

Provide a **FREE** water heater flush. You will realize approximately **20%** in energy savings by keeping your water heater running clean and efficient.

Provide a **FREE** water pressure test. You can **DOUBLE** the life of your plumbing equipment with proper water pressure and preventive maintenance.

Provide a **FREE** Bio-Smart drain treatment. A natural biological drain line maintainer that will keep your drains odor free and free flowing.

You will receive front of the line service when you call. Plus, **special privileges** for being a club member, which include up to **25% OFF** all necessary repairs! Can't be used in conjunction with coupons.

Just **peace of mind** knowing your plumbing system is being cared for by professionals so you can concentrate on the fun things in life!
